Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17 2009)) ("ARRA") I, Carl W. Flora, President & CEO of the Loring Development Authority of Maine, hereby certify that the following infrastructure investment has received the full review and vetting required by law and that I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning these investments is as follows:

**Project Name:** Phase II Replacement Sewers

**Project Description:** This project will replace existing leaky and structurally deficient sewers, manholes, and sewer services in Drainage Area-1 at Loring Commerce Centre reducing the inflow and infiltration (I&I) of ground and surface water in the wastewater collection system, subsequently eliminating the environmental problems and reducing the exorbitant treatment costs caused by the excessive I&I.

It is a \$1,290,000 project that will be funded by the American Reinvestment and Recovery Act (ARRA) through USDA/Rural Development (RD).

I understand that Loring Development Authority of Maine may not receive infrastructure investment funding from funds made available in this Act unless this certification is made and posted.
